### **Doggy Daycare General Information and Policies**

The purpose of Something to Wag About, Inc Doggy Daycare Center is to provide a safe, fun and stimulating social environment for dogs during weekday business hours. To ensure the safety and health of your pet and our other guests, we require all guests to comply with the following rules and regulations:

AGE: All dogs must be at least 12 weeks of age or older

SEX: All dogs 7 months or older must be spayed or neutered

SHOTS: All dogs must have up-to-date vaccinations. Owners must submit written proof of DHLPP and Bordetella vaccinations. Rabies is required for puppies over 4 months of age.

HEALTH: All dogs must be in good health. Owners will certify their dog(s) are in good health and have not been ill with a communicable condition in the last 15 days. Upon admission, all dogs must be free from any condition which could potentially jeopardize other guests. Dogs that have been ill with a communicable condition in the last 15 days will require veterinarian certification of health to be admitted or readmitted.

KENNEL COUGH: I understand that even though Something to Wag About requires that every dog be vaccinated with the Bordetella vaccine, it can spread a bit like the common cold in grade schools. Additionally, I acknowledge that the vaccine does not protect my dog from every new strain of the virus, therefore I will not hold Something to Wag About responsible for any incurred vet bills due to Bordetella or any other respiratory illnesses: \_\_\_\_\_

**BEHAVIOR:** All dogs must be non-aggressive and not food or toy protective. Owners will certify their dogs have not harmed or shown any aggressive or threatening behavior towards any person or any other dog(s). Please remember: your pet will be spending time with other pets and the safety and health of all animals is our main concern.
